To whom it may concern:

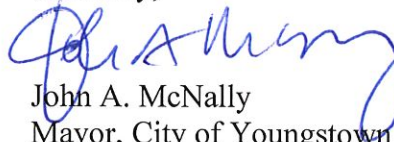

I highly recommend Ms. Kendra Corpier for the position of Instructional Designer. While I cannot admit to being a “gamer”, I find Kendra to be driven, focused and full of energy concerning the world of Game Development.

While you may wonder how and why a Mayor knows about Gaming, Kendra has taken upon herself to educate me about the gaming world. I have observed her interactions and teaching of games at the Game Jams hosted at the McDonough Museum of Art. She has interacted with her students in a positive manner on what appears to me to be fairly complex subjects.

I have also interacted with Kendra in the role as a video producer at one of her current employers. She has been professional and enjoyable to work with and I recommend Kendra to you as a potential employee.

Please do not hesitate to contact me if you have any further questions.

Sincerely,

  
John A. McNally  
Mayor, City of Youngstown
